Relocating to Charlotte / Raleigh, NC — Available Immediately

June 15, 2026

Hiring Manager
Vestis (Aramark Uniform Services)
Charlotte, NC

Dear Hiring Manager,

Vestis is competing directly against Cintas and UniFirst for every uniform account in Charlotte, which means the sales rep who wins in this market is the one who prospects harder, shows up more consistently, and makes a more compelling case for switching. That competitive dynamic is exactly the environment where I perform best — and why I am applying for the Sales Representative role at Vestis.

At KraftMaid Cabinetry, I grew market share in a contracting market by displacing entrenched competitor relationships through superior account service, consistent presence, and a consultative approach that understood the account's business before making the pitch. I hit 145% of monthly quota in January 2026 on a \$5.47M territory. At TTI, I cold-prospected business owners and purchasing decision-makers daily, driving 5.15% year-over-year revenue growth on a \$4.06M territory by making the case for my brands against established incumbents. At DCU, I exceeded monthly quotas by 10% through high-volume consultative selling with strong objection handling in a competitive, high-compliance environment.

The Vestis sales model — recurring service contracts with long-term business customers in manufacturing, healthcare, food service, and hospitality — rewards reps who are methodical, persistent, and genuinely relationship-driven. Switching a uniform service provider is a significant operational decision for a business owner; the rep who earns the switch is the one who stayed in front of the account long enough and consistently enough to make the relationship undeniable. That is exactly the kind of long-game territory development I have proven I can execute.

I am relocating to Charlotte immediately with no start date constraints. The opportunity to build a Vestis territory in one of the Southeast's fastest-growing business markets is compelling, and I am ready to get started. I would welcome the chance to discuss the Sales Representative role and what the Charlotte market needs from a new rep right now.

Sincerely,
Collin Celic
