Relocating to Charlotte, NC — Available Immediately

PROFESSIONAL SUMMARY

High-activity B2B outside sales professional with 4+ years of field territory management experience, daily in-person prospecting discipline, and a proven track record of building new account relationships from cold contact through committed purchase. Skilled at engaging manufacturing, construction, and industrial buyer profiles, managing territory pipeline in Salesforce CRM, and competing effectively against established incumbent vendor relationships. Relocating to Charlotte, NC immediately — targeting a Fastenal Outside Sales role where face-to-face prospecting discipline, industrial buyer relationship building, and consistent quota performance translate into meaningful territory results from day one.

CORE COMPETENCIES

B2B Outside Sales & Cold Prospecting	Industrial / Trade Buyer Engagement	New Account Development & Competitive Displacement
Salesforce CRM & Pipeline Management	Territory Planning & Call Routing	Full Sales Cycle — Cold Call to Purchase Order
Quota Attainment & Activity Accountability	Face-to-Face Field Selling	Product Knowledge & Value-Based Positioning

PROFESSIONAL EXPERIENCE

Territory Manager — KraftMaid Cabinetry (CabinetWorks Group)

Boston, MA • February 2025 – March 2026

- **Quota Attainment:** Achieved 145% of monthly sales quota in January 2026 through disciplined Salesforce-managed pipeline execution, systematic call routing, and consultative closing with B2B buyer accounts.
- **Territory Ownership:** Held full B2B sales responsibility for 23 accounts and a \$5.47M annual portfolio — managing everything from cold prospecting and opportunity development through contract and long-term account retention.
- **Competitive Displacement:** Grew market share in multiple accounts during an industry-wide 8% market downturn by displacing entrenched competitor vendor relationships through superior presence, reliability, and consultative value delivery.
- **Field Presence & Account Coverage:** Built and executed a structured daily field call plan across a defined geography, maintaining consistent in-person contact frequency with all active and prospect accounts.
- **CRM Activity Discipline:** Used Salesforce CRM and Power BI to track all field activity, manage pipeline stages, and maintain territory reporting accuracy — the same activity-accountability culture Fastenal's territory model requires.

Field Sales & Marketing Representative — Techtronic Industries (TTI)

Bellingham, MA • July 2023 – February 2025

- **Daily Industrial / Trade Cold Prospecting:** Generated new business exclusively through daily in-person cold calls to construction supply buyers, department managers, and industrial purchasing contacts — 5.15% YOY revenue growth on a \$4.06M territory through prospecting discipline in a trade-adjacent buyer environment.

- **Competitive Brand Displacement:** Won new floor space and committed purchases from accounts that had established relationships with competing brands — through in-person demonstrations, ROI positioning, and persistent follow-through.
- **Product Knowledge Selling:** Demonstrated complex product features and technical performance advantages to professional trade buyers who valued expertise over price — a selling dynamic directly applicable to Fastenal's MRO and industrial product line.
- **Account Relationship Development:** Built lasting relationships with buyers and department managers through consistent field presence and proactive service, maintaining high retention rates while growing new business simultaneously.

Collections Administrator / Information Specialist — Digital Federal Credit Union (DCU)

Marlborough, MA • October 2019 – September 2022

- **Quota Attainment:** Exceeded monthly sales quotas by 10%, closing approximately 50 credit cards and 20 auto loans per month through consultative, needs-based selling and structured objection handling.
- **Fast-Cycle Closing:** Developed efficient qualification, objection resolution, and closing skills in a high-volume, time-pressured phone environment — applicable to Fastenal's fast decision-cycle industrial account sales model.
