Territory Manager — KraftMaid Cabinetry (CabinetWorks Group)

Directly translates to conducting clinical in-services with endoscopy staff and GI lab personnel.

- **Competitive Market Share Growth:** Grew market share during an industry-wide 8% market downturn by building stronger account relationships and delivering more consistent value than competing vendors.
- **Trusted Advisor Relationships:** Earned trusted advisor status with dealer principals and owner-operators who relied on Collin as a business partner rather than a transactional vendor — the relationship quality required in clinical device selling.

- **Technical Product Demonstrations:** Conducted daily live demonstrations of complex power tool products for professional buyer audiences — presenting technical specifications, performance differentiators, and competitive comparisons in a credible and persuasive format.

- **Territory Revenue Growth:** Delivered 5.15% YOY growth on a \$4.06M multi-brand territory through structured field engagement and systematic account development.
- **New Account Acquisition:** Won new accounts from established incumbent competitors through superior product knowledge, relationship investment, and consistent in-person presence.

Collections Administrator / Information Specialist — Digital Federal Credit Union (DCU)

Marlborough, MA • October 2019 – September 2022

- **Quota Attainment:** Exceeded monthly quotas by 10%, closing approximately 50 credit cards and 20 auto loans per month through consultative needs-based selling in a high-compliance, regulated environment.
