- **Quota Attainment:** Achieved 145% of monthly sales quota in January 2026 through disciplined field execution, structured pipeline management, and strong consultative closing with business owner buyers.
- **CRM & Activity Management:** Used Salesforce CRM and Power BI to manage field day planning, track pipeline, and ensure consistent account coverage — maintaining high activity standards while managing a broad territory geography.
- **Market Share Growth:** Grew market share in multiple accounts during an 8% industry downturn by deepening relationship equity with decision-makers and demonstrating measurable value through structured account reviews.

- **Revenue Growth:** Delivered 5.15% YOY revenue growth on a \$4.06M multi-brand territory through structured outbound engagement and consultative relationship selling to professional buyer audiences.
- **New Account Development:** Secured new account business and expanded existing accounts through consultative discovery, competitive positioning, and ROI-based value presentation to skeptical purchasing managers.

Marlborough, MA • October 2019 – September 2022

- **Quota Attainment in Compliance Environment:** Exceeded monthly sales quotas by 10%, closing approximately 50 credit cards and 20 auto loans per month via consultative, needs-based selling in a high-compliance financial services environment — directly relevant to Paychex's regulated HR and payroll product context.
- **Trust-Based Consultative Selling:** Built rapid trust with customers to discuss sensitive financial topics, develop needs-based solutions, and close effectively — the same trust-building skill required to earn a business owner's payroll relationship.
