PROFESSIONAL EXPERIENCE

Territory Manager — KraftMaid Cabinetry (CabinetWorks Group)

Boston, MA • February 2025 – March 2026

- **Account Penetration & Growth:** Managed a \$5.47M annual territory across 23 B2B accounts, consistently identifying opportunities to grow wallet share within existing accounts through structured reviews, product training, and consultative business planning.
- **Quota Performance:** Achieved 145% of monthly sales quota in January 2026 through a combination of deep account penetration discipline and targeted new business prospecting activity.
- **Market Share Growth in Declining Market:** Grew revenue in multiple key accounts during an industry-wide 8% contraction by staying closer to account decision-makers and providing more value than competing vendors.
- **Business Reviews & Account Planning:** Conducted structured account business reviews with dealer principals — analyzing performance data, identifying gaps, and building joint growth plans — directly parallel to Sysco's account review model with operator customers.
- **CRM-Driven Territory Management:** Used Salesforce CRM and Power BI to manage pipeline, track account coverage, optimize call routing, and forecast revenue performance for regional management.

Field Sales & Marketing Representative — Techtronic Industries (TTI)

Bellingham, MA • July 2023 – February 2025

- **New Account Development:** Drove 5.15% YOY revenue growth on a \$4.06M territory through daily in-person prospecting and structured new account acquisition from cold start.

- **Product & Value-Based Selling:** Positioned product value to purchasing managers and buyers who had existing supplier relationships — winning business through consultative selling and product demonstration rather than price competition.
- **Consistent Field Coverage:** Maintained daily in-person account presence across a broad geographic territory, building the kind of trusted vendor relationships that make account switching costly for competitors to attempt.

Collections Administrator / Information Specialist — Digital Federal Credit Union (DCU)

Marlborough, MA • October 2019 – September 2022

- **Quota Attainment:** Exceeded monthly quotas by 10%, closing approximately 50 credit cards and 20 auto loans per month through consultative needs-based selling and disciplined objection handling.
- **Consultative Relationship Development:** Built trust rapidly with customers to discuss financial needs and recommend appropriate solutions — the same consultative relationship dynamic that defines a Sysco rep's value to a restaurant operator.
