Territory Manager — KraftMaid Cabinetry (CabinetWorks Group)

Boston, MA • February 2025 – March 2026

- **Competitive Displacement & Market Share Growth:** Grew market share in multiple accounts during an industry-wide 8% contraction by persistently displacing entrenched competitor vendor relationships through superior account service and consultative engagement — the exact competitive dynamic Vestis reps execute against Cintas and UniFirst in Charlotte.
- **Quota Attainment:** Achieved 145% of monthly sales quota in January 2026 through disciplined Salesforce pipeline management, daily field activity, and consistent consultative closing with owner-operator buyers.
- **Long-Game Territory Development:** Built lasting account relationships through consistent in-person presence and proactive service over time — earning account loyalty by becoming more reliable and more useful than any competing vendor.
- **New Account Prospecting:** Combined active new business cold prospecting with ongoing management of 23 existing accounts — maintaining a structured pipeline of competitive displacement opportunities while protecting the existing revenue base.
- **CRM Activity Discipline:** Used Salesforce CRM and Power BI daily to track field activity, manage pipeline, prioritize call routing, and maintain full territory visibility for regional management.

Field Sales & Marketing Representative — Techtronic Industries (TTI)

Bellingham, MA • July 2023 – February 2025

- **Daily Cold Prospecting:** Generated all new territory revenue through in-person cold calls to business owners, purchasing managers, and facilities decision-makers — 5.15% YOY growth on a \$4.06M territory from prospecting discipline alone.

- **Incumbent Displacement at Scale:** Systematically displaced established competitor brand relationships at multiple accounts through performance-based demonstrations, superior service commitment, and persistent relationship investment over multiple contact cycles.
- **Service-Oriented Account Retention:** Maintained a high account retention rate by providing consistent in-person presence, rapid follow-through on commitments, and proactive communication — building account loyalty that makes competitor counter-calling ineffective.
- **Pipeline Execution:** Managed a structured prospect-to-close pipeline, advancing cold contacts through qualification, value presentation, proposal, and contract stages with disciplined CRM accountability.

Collections Administrator / Information Specialist — Digital Federal Credit Union (DCU)

Marlborough, MA • October 2019 – September 2022

- **Quota Attainment:** Exceeded monthly quotas by 10%, closing approximately 50 credit cards and 20 auto loans per month through consultative, needs-based selling and disciplined objection handling.
