PROFESSIONAL SUMMARY

Financial services and B2B territory sales professional with 4+ years of field experience managing multimillion-dollar territories and a direct background in automotive and consumer lending. At Digital Federal Credit Union, closed approximately 20 auto loans and 50 credit cards per month through consultative, needs-based selling — directly aligned with Capital One Auto Finance's dealer and consumer lending model. At KraftMaid and Techtronic Industries, managed 23+ retail partner accounts and drove product adoption through structured in-person presentations, stakeholder training, and data-driven monthly territory planning with Salesforce CRM. Seeking to bring a high-activity, relationship-first field sales approach to Capital One's Area Sales Manager role in the Carolina market.

PROFESSIONAL EXPERIENCE

Territory Manager — KraftMaid Cabinetry (CabinetWorks Group)

Boston, MA • February 2025 – March 2026

- **Dealer-Model Account Management:** Managed full B2B sales responsibility for a \$5.47M annual portfolio across 23 retail partner accounts — mirroring Capital One's dealer engagement model through structured monthly planning, performance analysis, and consultative account visits to drive product adoption and revenue.
- **Product Adoption & Training:** Delivered structured product presentations and in-location training across 23 accounts, educating multi-level store teams on product positioning and sell-through strategies — directly analogous to conducting dealer training sessions on Capital One's lead-generation platform.
- **Quota Attainment:** Achieved 145% of monthly sales quota in January 2026, demonstrating the closing discipline and executional focus Capital One expects from its Area Sales Managers.
- **Competitive Market Share Growth:** Grew revenue share across multiple key accounts during an industry-wide 8% market downturn — winning against entrenched competitors through superior consultative engagement and consistent field presence.
- **Data-Driven Territory Planning:** Used Salesforce CRM and Power BI dashboards to analyze account performance, prioritize high-value targets, and build monthly dealer engagement plans aligned to revenue objectives.

Field Sales & Marketing Representative — Techtronic Industries (TTI)

Bellingham, MA • July 2023 – February 2025

- **Territory Revenue:** Managed a \$4.06M multi-brand territory across Milwaukee Tool, Ryobi, and Ridgid — driving 5.15% YOY sales growth through disciplined daily outbound field activity and strategic account coverage.
- **New Business Development:** Generated and followed up on new leads through daily in-person prospecting and relationship development with buyers, department managers, and store leadership — growing incremental revenue across the defined territory.
- **Product Demonstrations & Training:** Conducted live product demonstrations, launch presentations, and competitive comparisons for professional audiences — persuading skeptical buyers through product knowledge, performance evidence, and clear value communication.
- **Executional Excellence:** Maintained 100% planogram compliance and 90%+ completion rate on complex resets and new product launches — demonstrating the follow-through and reliability that build lasting partner trust.

Collections Administrator / Information Specialist — Digital Federal Credit Union (DCU)

Marlborough, MA • October 2019 – September 2022

- **Auto & Consumer Lending:** Closed approximately 20 auto loans and 50 credit cards per month through consultative, needs-based selling — direct experience in the consumer lending and automotive financing products that define Capital One Auto Finance's business.
- **Quota Attainment:** Consistently exceeded monthly sales quotas by 10% in a high-compliance, high-volume financial services environment.
- **Objection Handling & Financial Conversations:** Developed strong skills navigating sensitive financial conversations, overcoming objections, and closing complex decisions — directly applicable to guiding dealers and consumers through Capital One's lending and lead-gen product suite.
